The Chesapeake Marine Canvas Fabricators Association, Inc. is an organization of Fabricators that design and manufacture fabric products for the marine industry, as well as the Suppliers who support them. Once a year, the Association runs the largest Marine Fabricators convention in the Mid-Atlantic.

The Board has worked hard this year to provide the attendees with a modern and intellectual program.

Hands on demos and networking on Friday, Saturday, and a Sunday Market Day.

Friday night dinner and theme night will be your favorite Villains and Superheroes.

Please take a little extra time to gather photos of work completed for our **photo contest**. You can enter a job in **each** of the categories. If you want to prepare ahead, entry forms are on the website under download forms.

The suppliers are anxious to meet with you, and may have show specials.

Please plan on attending. The board has worked hard to give you the best convention at the Best price. See you in February. Steve Hancock - President
